Come September . . .

Introducing Sam . . .

Sam Marciano is Eisenhower's A.F.S. exchange student from Venezuela. Sam is living with the Malone family, which includes two boys, Jim and Allan.

At his home in Venezuela, Sam lives with his father and mother, four sisters, and a brother. He is the oldest and has graduated from high school

At school in Venezuela Sam participated in soccer, basketball, baseball, and was a member of the school's swimming team. In Venezuela lunch is two hours long, and there is a fifteen minute him in between classes. Subjects are not chosen by the students

Sam plans to be an electrical engineer in the future

Eisenhower is very happy to have a wonderful student like Sam around and wishes him much happiness in the luture

Gunnar Igney is our I C.Y E. student from Dortnund, Germany, which is a very industrial city. He is living with the Schwandt family

Gunnar is in Eisenhower's Concert Choir, Tumbling Club, Student Council. Debate Club, and Dance Band, in which he plays the piano

Gunnar has three brothers at home in Germany along with his mother and his father, who is a lawyer

When he returns to Germany, Gunnar will attend school for another year and then go into the service. He says that he would like very much to come back to America and further his education. He feels that American has a very good college system. He plans to become a lawyer in the future.

Gunnar enjoys tennis, water sking, and ice skating. He says he also enjoys living with the Schwandt family

Eisenhower is very happy to have Gunnar as a member of its student body, and wishes him lots of luck and happiness

Assemblies

Vic Hyde

Student Council's first paid assembly of the year presented the infinited musician. Vic Hyde. He demonstrated his ability to play two, three, and four trumpets at one time. Dressed in a gay red suit, black Beatle wig, and botton in a hand, he danced around the gym floor. All through the assembly he gave worthwhile philosophy on doing a lob well done.

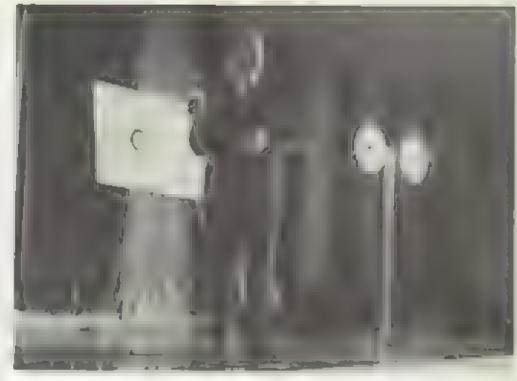

Football and Cross Country

The marching Ikettes started the activities of EHS's annual football assembly, September 15 MI members of the football team were introduced and demonstrated their skill with a few simple maneuvers. The cheerleaders taught the Freshmen the new and old cheers

Mr Russel's cross-country team was introduted too

Fisher Body Craft

A substance that becomes a solid from a liquid just by shaking it and turning it upside down? A model ear sketched by using 3 lines only? Glass 1-8 inch thick that would support a man's weight without breakin. A car, containing a stove, a refrigerator, a tv. etc. that can find its way from Decatur to San Francisco sans driver-relying only on a computerized card? These were the provocative actualities and the forecasts for the future that were expounded by the representative of the General Motors Company when he appeared before the Eisenhower student body. Get to work on the model car kits fellows. Be a part of the fabulous future.

The Gaudidates for President were Otis Lawrence and Richie Tolly. Otis won. The candidates for Vice-President were Jim Schwandt, John Peterson, and Dave Wiegers. Jim won. Gandidates for Secretary were Jan Armstrong, Barb Rhoades, Vicki Muffick, and Patty Finley. Jan won. The candidates for Treasurer were Juanita Sain, Mike Pettus Scott Geham, Lexie Haws, and Landa Layton. Juanita won. The Student Council will once again be in capable hands.

Winter

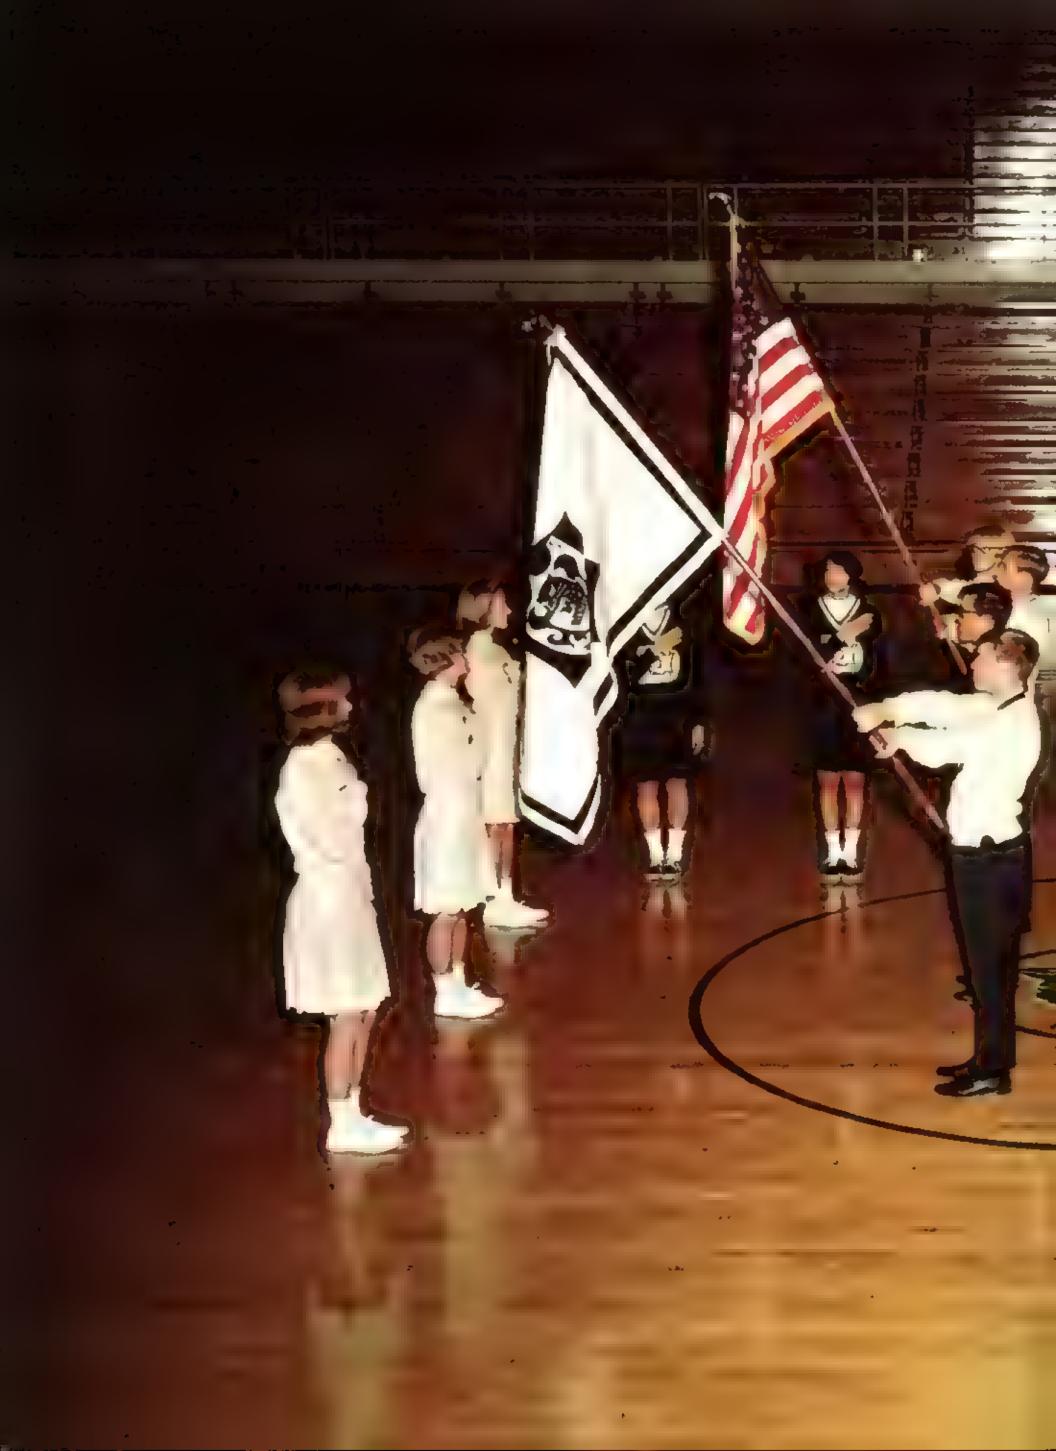

Carnival

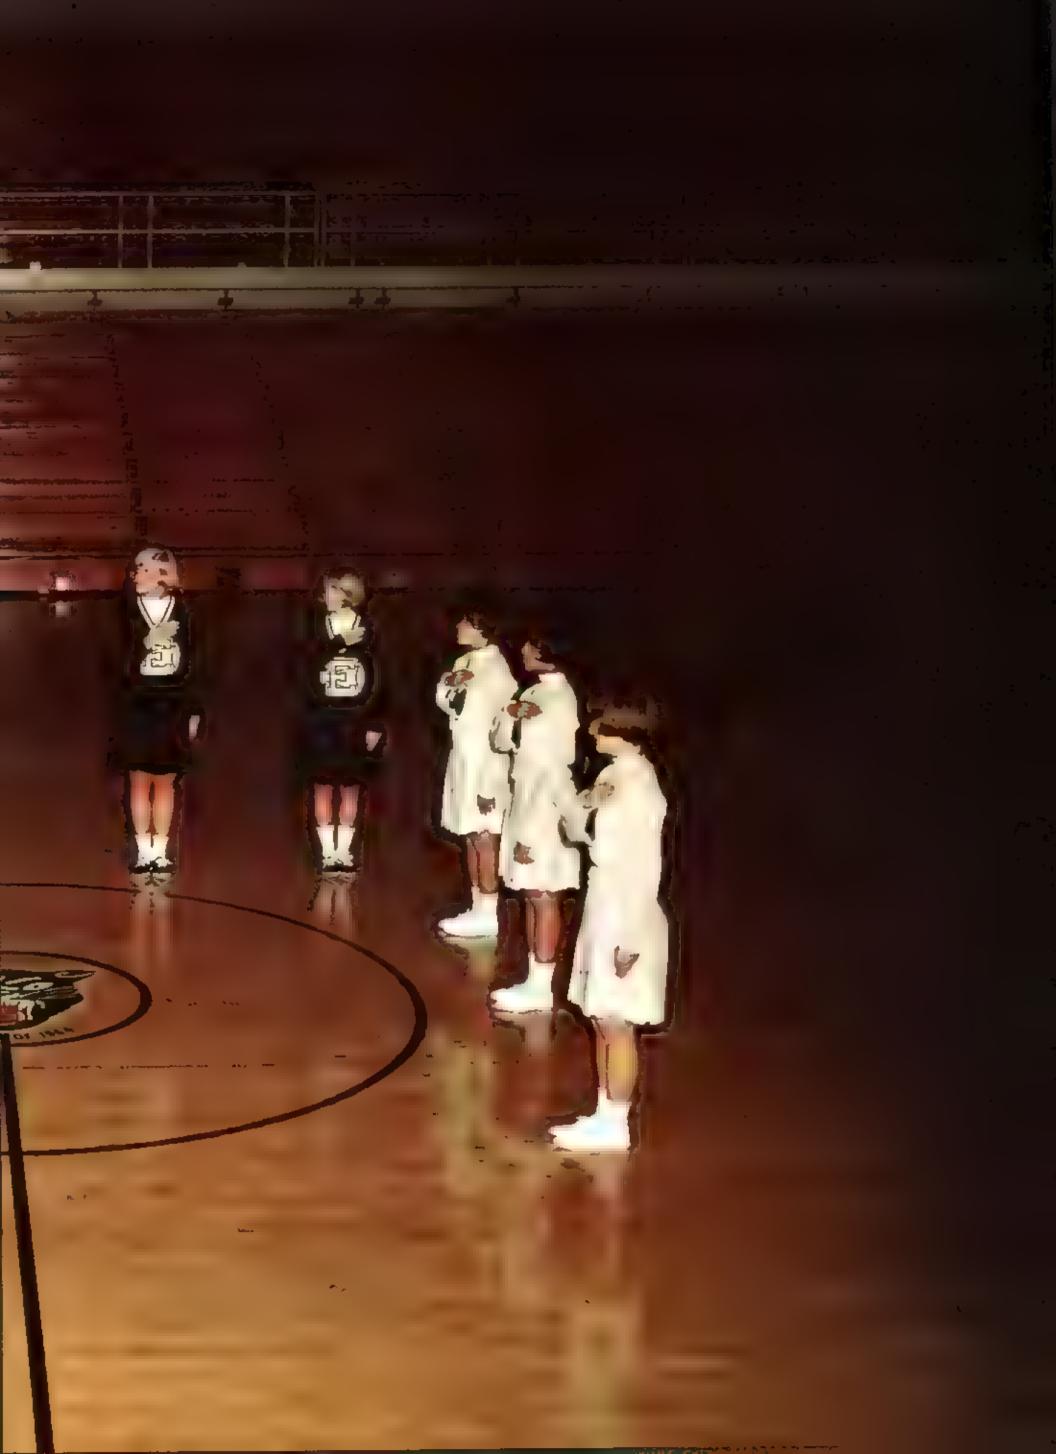

February 3, marked the annual Eisenhower Studens Council Carnival A crowd of people milled through the halls and the gym from 6.30 to 9.30. The Senior Class hitched many happy people in "holy matrimony". This year for the first time, the Student Council planned a Variety Show with the proceeds going directly to the Student Council. The Carnival is an excellent opportunity for all clubs and classes to earn money for themselves.

D.E.A. Would Rather

Strike Than Teach

The Teacher's Strike was brought about by a lack of understanding between the teachers and the Board of Education. The main differences between the board and the DEA were the salary schedule and the rights of the Decatur Education Association to negotiate in behalf of the teachers. The teachers voted to strike during the first part of November.

Due to the lack of teachers the students were sent to the gym. They danced, played games and had a very bad time. They were dismissed in the middle of the morning.

Senior Class Presents

On December 16 & 17 the Semons presented The Torch Begress. It is a saturcal comedy with a play within the play. The play ended with "Love conquering all" as Mrs. Ritter decided to give up her theatrical career to stay with her husband.

The faculty and the students of Dwight D Eisenhower High School respectfully dedicate this page to the memory of Bryan Stockwell, the first alumnus to become a casualty of the fighting in Viet Nam A former baseball stand-out, typifying the best of Young America, Bryan will long be remembered by all who knew him. In the words of another who also made the supreme sacrifice, Bryan "asked not what his country could do for him, but what he could do for his country." We are proud to claim him as our own

A Message from

Our Principal

Lisenhower is observing its tenth anniversary as a comprehensive high school. I am happy to have been associated with this school from its beginning

The high school years are formulative ones in which decisions are made concerning vocations, plans to enter college or the world of work, and marriage. Many of our graduates have distinguished themselves in various fields of endeavor. Two former graduates are presently members of our faculty.

May you always cherish your years spent at E.H.S. and return to visit us. Through your suggestions we hope to provide the type of education which will help you to succeed in the world of tomorrow

Ralph Westerman Principal

Assistant Principal

Mr Bill Rohrscheib is our Assistant Principal. His duties consist of many various things. He keeps a record of each student, plans out the weekly bulletin and helps rank the seniors. This is only a few of the responsibilities of our Assistant Principal. Although he has many duties to perform, he is always willing to help each student. This is also Mr. Rohrscheib's first year as Assistant Principal and he has done an excellent job.

Dean of Girls

The Dean of Girls is Miss Marie Weber. Miss Weber handles the social and personal problems of our girls. She is a guidance counselor, and helps each student assigned to her with their class elections. Miss Weber checks attendance, she plans and directs Baccalaureate and Commencement. She is a very understanding person and is well appreciated at Eisenhower

Dean of Boys

Mr. Don Diller, The Dean of Boys, supervises the issuance of rental books and lockers. He handles all the disciplinary problems concerning the boys at Eisenhower Although this is Mr. Differ's first year as Dean of Boys, he has done a fine job and has proven that he is concerned with each student. Eisenhower certainly hopes that he is as happy with his job as we are to have him fill this position.

The Orchestra is not actually a club, but a class which meets every day first hour and functions as a club. The Orchestra is an active group of students that provides musical entertainment for the P.T.A. meetings and the Christmas Assembly. They present an annual concert and also play in the school musical. With their busy schedule they also manage to find the time to attend musical contests where they compete with the best orchestras in the state of Linois.

From the forty-three members of the Orchestra, one person is chosen as president. This year Don Williams was chosen Working along with him on the council is George Greanias, Patty Finley, and Dorothy Paczak. The council functions similar to that of the band council, finding ways to earn money for the trips that are taken to the contests. Mr Barnett advises the council and does an exceptional job in directing the entire Orchestra

E.H.S. Band Department

The Eisenhower Band Department is one of the most important music groups in Eisenhower. This year there are three participating bands. Concert Band, Dance Band, and the Cadet Band which consists only of freshmen. These three bands provide the entertainment for many of the school's functions, such as the Homecoming Assembly, Christmas program and Christmas Assembly, pep railies, exchange assemblies, and at the football and basketball games.

At the games, especially football, Lynn Merritt and Rick Noel lead the band. Lynn is the majorette and performs at half-time doing specific routines with her batons. Rick is the band major. He wears a fancier uniform and leads the band into their positions

From the concert band, a council is chosen consisting of three officers and class representatives. The council meets to decide ways to meet and how to make money for band functions. The officers for the 1966-67 year are as follows. Rick Morthland, President; Rosemary Schawitsch, Vice-President; and Marge Neureuther, Secretary-treasurer. The class representatives are: John Schwandt, Junior; Sue Riggins, Sophomore; and Tom Williams, Senior

The slow starting Panthers lost their opening game against a strong Jacksonville team by the slight margin of 7—6 Handicapped by the injury of Tom Cox, an outstanding lineman, the Panthers roared back with a decisive victory over the Greenwave of Mattoon. Ike then sustained its second and final loss of the season to Griffen. The Panthers made a clean sweep of their remaining 6 games. These were highlighted by a 13—6 victory over arch-rival Stephen Decature.

and the defeat of the Generals in the annual Veterans' Day game

The Panthers were led offensively by the exciting running of Thurman Jelks. Jelks raced his way to a school and city scoring records. He was also chosen to the All-State team.

Jelks was selected Most Valuable Player and Terry De-Laughter received the Panther award

The running Panthers also captured first in the Flora Invitational in which 11 teams were entered. The Panthers, with winged feet, swept the first five places to win the Capital Conference meet with a perfect score of 15.

Varsity Basketball

The 66-67 basketball team got off to a slow start. After winning its first two games with Mr. Pulski and Feitshens, the Panthers went into a slump and lost its next seven games. Two of the games were against Collinsville, 53—44, and Springfield, 53—48. Both of these teams were rated high in the state. At the Carbondale Holiday Tournament, Ike continued its slump. They were eliminated from the tourney in two games by Maron and Herrin. The Panthers finally found the winning spirit again and won two games only to be defeated by MacArthur. And then the city tournament came. Stephen Decatur was seeded first. Ike won its first 3 games, with a strong chance of winning the championship.

but F H S. had never beaten the Reds Eisenhower controlled the entire game and at the final buzzer like had defeated the Running Reds, 52—45. Not only did Eisenhower win the Championship, but also the Sportsmanship Trophy was awarded to like George Watkins earned the Most Valuable Player Award. This raised the Panther's record for the season to 10—7, brightening the hopes for the rest of the season

This was a year of rebuilding for Eisenhower around lone letterman George Watkins. Next year the team will lose Watkins only from the starting five making like the team to watch

Varsity

The wrestling season 66-67 was a rebuilding for Mr. No-vak's team. This was especially true for the upper weights. Out of the starting twelve only five returned. Dennis Kates (180 lbs.). Doug Henson (Heavyweight), Mike Corev (165 lbs.). Clarence Jackson (154 lbs.), Jerry Sharp (145 lbs.), and I lwin Heard (127 lbs.) were all taken by graduation. Eidrige rayned did not wrestle because of a long illness that led to list death.

So with five regulars. Mr. Novak set out to build a team James Cook, wrestling at 133, set out to lead this up coming team on to victory. Along with James there returned Allen Bond, Calvin Beasley, Charles Harvey, and Otis Lawrence New comers to the squad as Freshmen were Ricky Buckner.

and Johnny Cook

Ricky wrestled at 95 lbs and did a great job for his first year. He has a lot of expectations and three years to obtain them.

Arnold Cason, Steve Smith, Roger Morville, Thurmen Jelks. John Peterson, and Charles Sharp were also a credit to this wrestling squad

At the present time the Panthers have a 4 wins, 4 loss and I tie record with the last match left. This match will determine whether they will end in a winning or losing season.

From the twelve starting wrestlers there will be eight returning next year. So wrestling should definitely be an "in" sport from now on
